I'm interested in a buck kid from Melody, and a doe kid from one of the other 4 does I indicated. Rebekah and Deeds would be my first choice doe kid. I don't care about age when I would get them, just whenever we can get transport arranged that is good for you. I will start contacting transport as soon as I know if kids will be available this year, or if waiting for next year.

Facebook, Nigerian Dwarf Dairy Side group and purchased semen from you
